

# Simpson...Gregory F Simpson, Agent in Engagement

I'm Simpson...Gregory F Simpson, Agent in Engagement.

I'm a trained (MBA) Employee Engagement Operative targeting a thief that is a known associate of 50-70% of all employees. Alias: "Disengagement." According to the latest intelligence, this thief steals an estimated \$550 billion from the US economy annually.

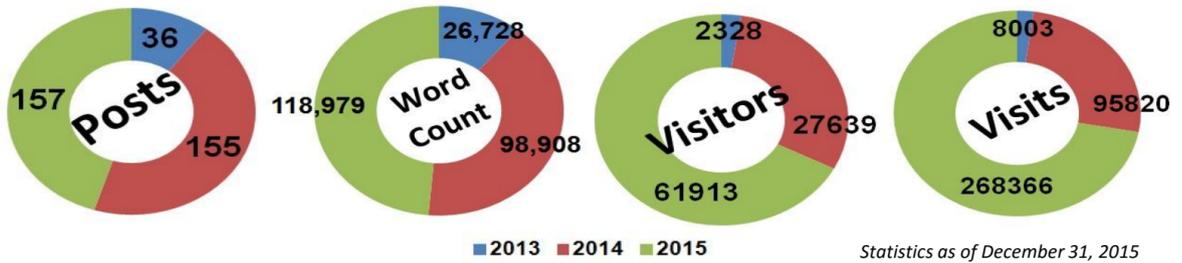

I'm on a critical mission to help an organization AND its employees succeed by identifying and eliminating "Disengagement" in the workplace.

To confront "Disengagement," I need your help. For my next assignment, I want to return to headquarters and lead employee engagement operations. If you need an Agent in Engagement on your team, let's engage!
